

Net Worth Statement			
As of (date):			
Assets (What I Own):			
Description	Value/Amount (Column 1)	Description	Value/Amount (Column 2)
Total column 1 =		Total column 2 =	

**Total of column 1 + column 2 = total assets:**

Liabilities (What I Owe)			
Description	Value/Amount (Column 1)	Description	Value/Amount (Column 2)
Total column 1 =		Total column 2 =	

**Total of column 1 + column 2 = total liabilities:**

**Enter total assets amount here:**

**Enter total liabilities amount here:**

Then subtract total liabilities from total assets.  
**Total assets minus total liabilities = net worth:** \_\_\_\_\_
