

Net Worth Statement			
As of (date):			
Assets (What I Own):			
Description	Value/Amount (Column 1)	Description	Value/Amount (Column 2)
Total column 1 =		Total column 2 =	

Total of column 1 + column 2 = total assets:

Liabilities (What I Owe)			
Description	Value/Amount (Column 1)	Description	Value/Amount (Column 2)
Total column 1 =		Total column 2 =	

Total of column 1 + column 2 = total liabilities:

Enter total assets amount here:

Enter total liabilities amount here:

Then subtract total liabilities from total assets.
Total assets minus total liabilities = net worth: _____
