

Net Worth Statement

As of (date):

Assets (What I Own):

Description	Value/Amount (Column 1)	Description	Value/Amount (Column 2)
Total column 1 =		Total column 2 =	

Total of column 1 + column 2 = total assets:

Liabilities (What I Owe)

Description	Value/Amount (Column 1)	Description	Value/Amount (Column 2)
Total column 1 =		Total column 2 =	

Total of column 1 + column 2 = total liabilities:

Enter total assets amount here:

Enter total liabilities amount here:

Then subtract total liabilities from total assets. _____

Total assets minus total liabilities = net worth: _____
